Father's Day tribute: what I appreciate about my dad

My dad worked 35 years of
his life and helped me get a good
education. He supported me in
all that I did and he was a
wonderful father...

"I appreciate my dad because
of all the knowledge he passed
onto me," said Billy Dixon.
About the dad of the late Billy Dixon.

"I appreciate my dad and he
was there for me. He never
gave me any bad advice,"
said City Councilman Frankie
Hughes about his dad, the late
James Hughes.

"I thought the world of my
dad. He was good to me and
taught me a lot of things that
have taken me through life. I
couldn't tell you how good he
was. One thing I learned was
to love to make work. That was
a long time ago," said City
Councilman Tommy Vaughn about
his dad, the late James Vaughn.
