Pastor's Pen

By Sue McCracken, Pastor Moorehead Christian Church

Then the Lord of God formed man from the dust of the ground, and breathed into his nostrils the breath of life, and man became a living being.

With all the talk today about the closed church, and the otherworldly wonders that humans are devising, Christians are being asked to determine whether their prayers are "right" or "wrong" for the future.

It is a real dilemma for the farmer, especially, since a type of cloning has gone on for centuries using grains and other food products. But now we're introduced to animal cloning and (some say) the next step will be human cloning.

The biblical attitude is that God says, "Be fruitful and multiply, fill the earth and master it." But the mastery is not over humankind; humans are the forbidden.

Many technological advances have occurred, in the beginning, to make the easier and diminish health problems. Many have been good, but some are the problem. We must re-evaluate the technology we create, because there is no error in God's design.

Magistrate Avery Thornburg was asked to resign his position as a magistrate and a member of the Senior Citizens Advisory Council for four years.

Advisory

Conley backed Vice "I think she has the authority to bring a matter to court over night. If someone wants to squawk, it's in court."

Magistrate Darryl Stacey said he's heard of problems in center court and "I think these two women feel they're being ripped off."

He later stated he didn't mean to hurt Director Vito's feelings. The court has the ultimate decision on this. The court sets the policy and the advisory committee carries it out, stressed Conley.
