The Nicholas County Board met in a special meeting on Monday night to end the 1991-92 fiscal year. Superintendent Gilbert Colburn made several announcements about the employment for the 1992-93 school year. Gilbert told the board Jane Becker, Nicholas County Instructional Supervisor, has decided to retire because of health problems.

Sue Woodall has resigned as high school secretary. With the next three weeks an empty downtown Carlisle street front will be filled with the smell of melted Fritos and sizzling peppers. Yes, Nicholas County, pizza delivery is coming soon.

Marine Fife, James N. Hill, Louis T. and Rachel Hill of 221 Hill Street, Carlisle, recently completed recent training and was promoted to his present rank.

MARRIED: Lillian Kay Hall and Marty Smithers were united in marriage June 25.

DEATHS: Elmer Clay McCarty, 62, died Sunday, June 25; Clarence Sugg, 95, died Sunday, June 25; Jerry Ingram, 45, died Sunday, June 25.

Remember when you can't find the photo? The Mercury wants to know! Some local folks may remember some of these people. "The Mer" has a partial list. Drop us a line if you can name them at P.O. Box 27, Carlisle, KY 40311.

Not interested in 40-hour work week now

To the Editor: Just a correction that was in last week's paper. It stated I would like to have 40 hours work week again. I'm not interested in 40 hours even if the advisory council did not have the right at that time. Also I would like to put this in. I've been advised that a possibility I could go back and get paid for the five hours cut for the two years. But I'm not one to try and cause trouble. Even if it has been said I was one that people could not get along with, there are some can tell you the truth - would like to give some names to call. All I wish that everything will get better and that the center can continue to be open for the people who need the service. And good luck to the new director. I hope I will be able to work with you for awhile. Thanks for the space.

Laura's Life

OPINION BY LAURA FEYMAN

Don't let kids control you

A grandmother can ask me to write about anything that I have written about, but it seems like the problem is not getting any younger. I was told that she, the grandmother, was standing on the street when she saw a car driving through town the other day when two young ladies in her car they carried the woman and she did not even know who they were. Why are these children being allowed to stand on the street saying things to decent people, are they being allowed just because they're young? Well, it's my opinion but my kids would do a lot of things, but that does mean that I let them do them. If we as parents do not stand up to these children and taking control over them are just asking for problems. No wonder the juvenile system is now being run with kids, it is because their parents have stopped caring or have they just given up on their kids.

Card Of Thanks

I would like to take this opportunity to express my sincere thanks to my family, friends, neighbors and co-workers for all the prayers, cards, flowers, visits, phone calls and help given during my recent surgery. May the Lord bless each of you.
