lent surgical suite and staff, Dr Schulstad said Dr Schulstad has practice veneral survery since 1988. He

received his medical degre from Memorial University of Newfoundland, St. John's, Canada and completed residency at the University of Ot-Dr. Schulstad chose this are

in which to locate his surgery practice because he likes serving small communities where h can work with patients on more personal level. It is an in portant aspect of health care, es-pecially with surgery, that pa-tients have the luxury of getting to know their surgeon Schulstad said Unfortunately that level of personal contact is not always available at large ospitals.
That is the advantage paties

get when working with any on of the surgeons at Johnson Mathers Health Care
