Physical Therapy Center of Grayson

WHAT IS THE EDUCATIONAL PREPARATIONS FOR **PHYSICAL THERAPISTS?**

This is not a question answered easily or correctly by most individuals in today's society.

If accepted into a physical therapy program, the student is extensively schooled in such fields as human existions and physiclegy. If it is span, necreatations, and many other modeally stated courses. Within the program, the student will have many opportunities to apply and integrate classroom learned theories into paradic through extensive clinical education offered through a warely of practical settings. "Clinicias" are scheduled periodically throughout the ET program for student in Clinicias" are scheduled periodically throughout the ET program for student in the contract of the contract o

Depending upon the school chosen and the level of education of the program, the new graduate will have achieved a Bachelor's Degree or a Master's Degree in physical therapy. The opportunity is open to them at this time, to continue their education and obtain a PhD in physical therapy.

There is "much to learn" for the PT, and the educational process is forever oppo-ing, as this ensures qualify patient care in the professional field of physical thera-gy We at the Physical Therapy Centers of Ashland, Craynov, Wheelenburg, and South Shore are decidated to providing each patient the most current therapy, thorough treatment, and highest qualify of care.
