When angels series you need them, angels always do - they come, uncent, from everywhere to help and comfort you. They hover close beside you till all your cares are gone - till they can see your feedly one and to carry on. you're ready once again to carry on... Then some of them may fly away and

take their gentle touch to other hearts that need the love of angels very much...But one, at least, stays with you as your constant friend and guide for Guardian Angels never leave

constant friend with gluese for squares at your side.

they're advants at your side.
