Physical Therapy Center of Grayson

WHAT IS THE EDUCATIONAL PREPARATIONS FOR PHYSICAL THERAPISTS?

This is not a question answered easily or correctly by most individuals in today's society.

Physical therapsis are coepe grazu-ates, with such pre-requise classes as psychology, biology, physics, statistics, chemistry, English, professional writing, and humanities. Once they have com-pleted a well-rounded basic college education, it's time for them to apply to

Renew Your Subscription

If accepted into a physical therapy program, the student is extensively schooled in such fields as human authors you diphysiology, the span, necrossations, and many object medically instituted courses. When the opportunities to apply and elergorist classroom learned flexions in interpretable to apply and elergorist classroom learned flexions in interpretable companies of the co

Depending upon the school chosen and the lifeli of education of the program, the new graduate will have achieved a Bachélor's Degree or a Master's Degree in physical therapy. The opportunity is opin to them at this time, to continue their education and obtain a PTD in physical therapy.

Finally, before beginning practice as a physical therapist, the individual must pass a locensing examination in the State in which they wish to practice, certifying them as a Licensed Physical Therapist. To be eligible for State Iloransing early year a Physical Therapist Insust complete accredited continuing education courses.

There is "much to learn" for the PT, and the educational process is forever ongo-ing, as this ensures quality patient care in the professional field of physical thera-py. We at the Physical Therapy Centers of Asthand, Caryson, Wheelensburg, and South Shore are decidated to providing each patient the most current therapy thorough beatment, and highest quality of care. An Affiliate of Physical Therapy Centers Office of Ashland, Wheelersburg, and South Shore
