Physical Therapy Center of Grayson

WHAT IS THE EDUCATIONAL PREPARATIONS FOR **PHYSICAL THERAPISTS?**

This is not a question answered easily or correctly by most individuals in today's society.

Physical Program of the Program of t

The cooped in to a dipplical library program, the student is extensively schooled in such fields as human ignationy and physicistic pile span, neuroanatory, and many scheme modally inflated orquest. Which the organize, the student when many opportunities to apply anti-perspared classroom learned floories into practice through extensive classed absolute of first frough a strategy destinated and business of first frough a strategy destinated and business of first frough a strategy destinated selection. The control is a strategy and a strategy

Depending upon the school chosen and the level of education of the program, the new graduate with have achieved a Bilcheior's Degree or a Master's Degree in physical therapy. The opportunity is only no them at this time, to continue their education and obtain a PED in physical til enzy.

Finally, before beginning practice as a physical therapist, the individual must pass a licensing examination in the State in which they wish to practice, certifying them as a Licensed Physical Therapist. To be eligible for State licensing each year a

There is "much to learn" for the PT, and the educational process is forever ongo ing, as this resuzes qualify patient care in the professional field of physical therapy. We at the Physical Therapy Centries of Ashland, Graycon, Wheelensburg, and South Shore are declared to providing each patient the most current therapy, thorough treatment, and highest qualify of care.
