Presents  
**1997 Distinguished Service Awards**

Jockey International Inc. of Carlisle presented the Distinguished Service Award to employees at the Carlisle Sewing and Knitting Planta Wednesday, August 20 with refreshments for all employees and a program at each plant.

The 1997 presentation of the Jockey Distinguished Service Award went to Toni Hunt of the Carlisle Sewing Plant and Frank Johnson of the Knitting Plant.

The Jockey Distinguished Service Award is the most prestigious award an employee may receive. The award is given in recognition of an individual's significant contribution in perpetuating the Jockey ideal reflecting the best in a person's commitment to loyalty, integrity and service and the dedication with which one conducts their daily life.

All employees, salaried and hourly (not including vice presidents) are eligible for this award. Employees in each location nominated candidates for this year's recipients.

A plaque recognizing the recipients will be placed in a prominent area at each plant. A personalized certificate, suitably framed, is presented to each individual receiving this award. The Golden Jockey Statue with the individual's name inscribed thereon also presented along with a check. An equal contribution from Jockey in the same amount will also be made to that person's church or favorite charity. A gold Jockey pin is presented to the recipient to be worn with pride, denoting such an outstanding honor. The winner is also given the use of a designated parking space until the next winner is announced.

### 1997 Carlisle Knitting DSA Winner

Frank Johnson Jr., is the 1997 Distinguished Service Award winner from the Carlisle Knitting Plant. With him are Debra Waller, Executive Vice President and Assistant to the President, Kenosha, WI, and Bascom Sorrell, Carlisle Knitting Plant manager.

The Carlisle Sewing location recipient of the 1997 Distinguished Service Award was presented to Toni Hunt. A 33-year employee, Hunt started as a sewing machine operator and has held various clerical positions. She is currently in the payroll department.

The Carlisle Knitting location recipient of the 1997 Distinguished Service Award was presented to Frank Johnson, Jr. Johnson's Jockey career has expanded over a 25-year period where he started at the Sewing Plant then transferred with the Cutting Department to the Knitting Plant in August of 1988.

Hunt is a respected individual whose everyday example of caring for others is truly representative of the quality of individuals that represent Jockey International. She has a reputation of being a very loyal and dedicated employee. Hunt is a Sunday School teacher, plays the piano at church when needed and sings and plays the piano for funerals of friends and family in the community.

Johnson has been described as a person who is friendly with everyone, and has a smile and a good word at every turn. He has a reputation of letting his actions speak for themselves, someone who never sings his own praises or expects anything in return for being a friend.

She visits the local nursing homes on a regular basis and provides entertainment for the elderly. Hunt lives a lifestyle of caring and sharing and is a truly a person that has achieved the Jockey "ideal."

Johnson is a member of the Wesley Chapel C.M.E. Church in Carlisle. Johnson loves to cook and is the chef at all the church picnics.

Hunt and her husband June, reside in Bath County, Kentucky, with their daughter Lorilyn.

In his spare time, Johnson coaches a young men's softball team. Johnson is an excellent example of the top notch high caliber, quality people that makes Jockey International truly successful. He lives a lifestyle of caring and sharing.

### COMBINED FINAL NOTIFICATION AND FINDING OF NO SIGNIFICANT ENVIRONMENTAL IMPACT

The U.S. Department of Agriculture, Rural Development (RD) has received an application for federal assistance from the City of Carlisle, SA KY 60601-1036. The specific elements of the proposed action consist of installing 3,000 feet of 10", 12,750 feet of 8" and 1,280 feet of 2" sewerline and two pump stations to the existing system in order to serve 150 additional customers and the industrial park located in Nicholas County.

### USDA/RD has assessed the potential environmental impacts of this proposed action and determined that the location of the proposed sewer system construction would impact the 100 year floodplain. It has been determined that there is no practicable alternative to avoid this impact. The basis of this determination is as follows:

### The floodplain would be impacted by the construction of the proposed sewer system due to stream crossings.

The proposed sewer system will be located within the floodplain in order to serve the proposed customer.

The applicant will be required in the RD Letter of Conditions to amend its bylaws whereby it will deny service to any new customer planning to build in a floodplain or wetland.

The proposed action conforms to applicable state and local floodplain protection standards.

The sewerlines will be laid on public right-of-ways, where necessary, to avoid impacts on any private farmland and wetlands that may be in the vicinity.

There are no cooperating agencies on this project.

It was also determined that the proposed action will not significantly affect the quality of the human environment nor will an environmental impact statement be required.

### Any written comments regarding these determinations should be provided within 15 days of the publication to Mr. Thomas G. Farn, State Director, Rural Development, 771 Corporate Drive, Suite 200, Lexington, Kentucky 40503. USDA/RD will make no further decisions regarding this proposed action during this fifteen day period. Requests to review the USDA/RD environmental assessment upon which this determination is based or to receive a copy of it should be directed to the USDA/RD District Office, 220 West First Street, Morehead, KY 40351.
