Students of the Week

Anna Price
By Amy Hankin Managing Editor

Anna Price, 17, a Nicholas County High School senior, has been chosen Student of the Week.

Anna is the daughter of Wayne and Ellen Trammell. She also has one brother, Michael, and two sisters, Frances and Peggy.

She is described by Hazel Askin, National University at Nicholas County High School, as a "Ginger Wildcat fan."

Anna stated that she loves to study and spend time with her friends and family, as well as her dog, Snowball.

Anna also stated, "I like spending time with my boyfriend, Lee."

After high school, she plans to either enter a nursing program or work as a child care provider and may decide to attend college at either the University of Kentucky or Morehead State University.

Askin nominated Anna for Student of the Week because she has been working on the Community Based Work Training and Employment Program at Nicholas County High and participating in employability skills training, at Johnson Memorial Health Care Center.

Anna also works with the children in the Headstart Program and is looking to further her education in the future while spending some of her time at Styles Golf Course.

She says that working with the training program "helps me get along with people better and helps me work with kids."

Askin summarized her student's qualifications by stating, "Anna is a very conscientious student and employee."
