Kerosene fire
destroys car
A car fire - which started
when cigarettes were ignited
careless on the floor board -
totally destroyed the vehicle on
1/14 near Haldeman Friday
night.

One of three 308-caliber
bullet holes in the car that
incurred the gas tank, causing
the vehicle to catch fire,
according to Trooper Jeff
Haynes, of the Virginia State
Police Post 8 in Morehead.

The fire occurred in a 8.65
p.m., while Danny Mullins, 32,
of Morehead, was driving home
in a 1999 Ford Contour with his
brother-in-law in the back seat.
Kerosene was the cause of the
fire, which was extinguished
on the floor board, apparently
caused by cigarettes which were
spilled kerosene, Haynes said.

After trying to stamp out the
fire, the two men left the vehicle,
Haynes said.

Sunnyside Homemakers meet

The Sunnyside Homemakers met on Tuesday, November 17, 1996 at the home of Ida Mae Wilhough in Paris.
Laraine McFarland called the meeting to order. Eleanor Bream gave the devotional reading Psalm 100, then read two verses, "Days of Autumn and Thanksgiving" and she also had prayer. Roll call was answered by naming our favorite Thanksgiving foods.

The minutes of the last meeting were read by Eleanor Bream. Announcements were given. The treasurer's report was given. We had a delicious

meal which is always potluck. Laraine McFarland gave the lesson on "Osteoporosis". It is a disease that causes bones to lose mass and become brittle. It occurs more often in women. Most people need to increase their intake of calcium. Dairy products have the highest amounts of calcium. Exercising can also help maintain bone mass.

Phyllis Brady was our guest for our fun auction. She also had a game won by Lucille Vinn. Our next meeting will be December 15 at the home of Eleanor Bream with
