No More Weight.

Overweight trucks also pose a serious safety hazard in road accidents. Involving today's extra heavy trucks are twice as likely to result in death as 15,000-pound trucks will make a bad problem even worse.

Help stop this legislation now! Call 1-800-372-7181 and tell your legislators to say NO to extra heavy trucks. This is a bad idea that should come to a speedy halt.
