Ellisville School hosts 9th annual reunion

The 9th annual Ellisville School Reunion was held Sunday, June 28, 1998 at the Carlisle Depot.

Those from Carlisle and Nicholas County were: Ray Gandy, Don and Byron Fryman, Myra Wagner, Margaret and Eugene Wagner, Joe Wilson, Clarence Walton, Lucille Wells, Paulk, Susan S. Smith, Helen Pumphrey and Katherine Walls.

There was a lot of good food and all enjoyed the fellowship. There was also a fund-raising effort for the State of Kentucky for 30 years.

Bill had by pass surgery. We hope both of these will soon be back to good health. Our next reunion will be held on the last Sunday in June 1999, at the Depot.

Tractors were just one of the many vehicles that took part in Thursday's Blackberry Festival Parade on July 2.

Teachers invited to Kentucky Teacher Connection. Attention: Many area residents looking for a teaching position in Kentucky and school systems needing to fill vacancies.

You're urged to attend the Kentucky Teacher Connection, which will be conducted by Eastern Kentucky University's Division of Career Services and hosted by the Kentucky Association of School Administrators (KASA) Sunday, July 12.

The teacher job fair, to be held 10 a.m. at the Executive West Hotel, Louisville, will bring together school systems and teacher candidates.

Houchens joins Army Reserve. Damian C. Houchens has joined the United States Army Reserve under the Delayed Entry Program at the U.S. Army Recruiting Station, Myrtle, Ky.

The program gives young men and women the opportunity to delay reporting for basic military training for up to 270 days.

The recruit graduates for a \$3,000 annual stipend. Houchens, a 1995 graduate of Fleming High School in Mount Olivet, Ky., will report to Fort Leonard Wood, Dyer, Missouri, for basic training August 18, 1998.

He is the son of Peggy L. and Dwight C. Houchens of Mount Olivet.

KET to air The Rockies By Rail

For more than a century, the railroad and the Rocky Mountains have challenged one another.

Now, they offer an extraordinary adventure for travelers. The Rockies By Rail, airing on KET at 8 p.m. CT Wednesday, July 15, journeys on a beautifully restored luxury train, the American Express, taking viewers on a four-hour journey through the unforgettable landscapes of the American West.

Passengers in restored vintage Pullman cars experience astounding canyon and scenic mountain peaks, from Denver through the Colorado Rockies across the Continental Divide.

The journey is reminiscent of the romantic days of rail reading, when many Americans got their first look at this wild landscape from the window of a train.

Beholding a travel experience of a bygone generation.
