

The Nicholas County High School class of 1958 held its 40th reunion recently. Above are the "mighty 44" students in the graduating class.

### Class of 1958 celebrates 40th annual class reunion

Our eighth day graduation was sure "The Mighty 44". But as Seniors we became "The Mighty 44". Only half in five short years. But the 88 are just as dear.

July 4th found the class of '58 at the Old Carleise Jail. After 40 years, looking better than ever. We hugged and ate and talked and laughed... and then we cried.

Some were not with us in person; because they had died. Most would think our class was no longer 44. But we felt their presence and re-buried memories for sure.

We planned another in five years. More of us may be gone. Maybe me, maybe you, and maybe even more. No matter what, we will still be "The Mighty 44".

From the 1958 graduating class of The Nicholas County High School. Many thanks to our parents, teachers and anyone who helped us in any way, July 1958. The pictures of Bobby Greene were missing. If anyone accidentally closed them up in an annual or know anyplace they might be, please call Ramona at 289-4180.
