(NAPS)—These days, does it seem you need a medical degree just to get your simple health questions answered? Would you not more comfortable talking with your doctor if you were more informed? What if you could speak with other people who have had similar symptoms?
 Knowledge is power. The more you know about your health, the more options you experience, and the available treatment options, the easier the discussions are with your doctor.
 Daniel P. Howard, DOB 4-08-68, Show cause hearing, Bench Warrant, No Bond, Bench. Where filed in circuit. Admits Contempt, 20 days, 3:16:38 1:00 AM with \$100 payment. Pay \$100 by 3:23:38. If not paid 30 days to be served.

Better Health & Medical is a community online, open 24-hours each day, where people discuss real-life topics that range from pregnancy and asthma to cancer and AIDS. With more than 2,000 health topics covered, 50 message boards, and 500 regular support groups and forums, you are likely to find information of interest to you.
 If you're looking for quick answers about treating cancer, quitting smoking, or looking better as you age, Better Health can be found through America Online (keyword: betterhealth) or on the World Wide Web at <http://www.betterhealth.com>. All that health information is only a couple of clicks away.
