Blue Jackets baseball brings home a trophy

The 1998 Blue Jacket baseball team poses for a picture while in uniform. The team recently brought home a trophy after playing in the City Between the Lakes Classic in Paducah, Ky.

The Blue Jackets used a combination of timely hitting and solid defense to defeat two strong teams from West Virginia and host Paducah in the series. The Blue Jackets were led by senior shortstop, Wes Hillebrand, who had two home runs during the tournament and a pitching victory over host Paducah in the series finale on his way to capturing Tournament MVP honors.

Although Livingston won MVP the tournament, a total of four players were named as one point during the tournament.

The Blue Jackets showed real progress this year, and end and with continued hard work.

Nunnellee Our Senator

An effective State Senator . . .

Denny Nunnellee understands government. Prior to being elected to the State Senate four years ago, he was three times elected to local office. First as the county sheriff and then twice as Judge Executive. As State Senator, Denny Nunnellee is working to reduce taxes. He worked to eliminate several taxes. These include the inheritance tax, the income tax on pensions, the intangible tax, the provider tax on doctors and the provider tax on prescription drugs. Senator Nunnellee has also voted to bring fairness to the sales tax on cars. To help farmers, he has worked to prevent new taxes on tobacco and voted to exempt any income tobacco farmers receive from a national tobacco settlement from state income tax!

Senator Nunnellee . . . keeping his promise to reduce taxes!
