### Gard Of Thanks

I would like to take this opportunity to express my heart felt gratitude to Dr. Lopez and the entire staff of our local hospital for the outstanding care I received when I had a heart bypass on April 20th.

Thanks to their quick response and attention, there was no damage to my heart. Also, after my-pass surgery, my physician assures me I will be better than ever.

I would also like to express my thanks to my pastor and the score of friends for their expressions of concern for both myself and my family. It is truly wonderful to have the support of so many. Nicholas County proved to me that, in still a caring and wonderful place to live.
