You have made us
proud for the past 12
years. You never gave up
through all the happy
and sad times. You gave

My how the years
have flown since you
were this cute little
girl. Now you have
grown up to be a
beautiful young
woman. We are very
proud of you and
wish you the best in
everything you do.

We love you,
Mom & Dad

Watching you grow
from a child to a young
woman has been both a
blessing and a pleasure
to me. Your determina-
tion to succeed in every-
thing you do makes me
very proud. Let God
guide you and never lose
that determination and
you will succeed in
adulthood as you have in
childhood. You deserve
the best.
Love,
Mom & Krystal

I just wanted to let you
know how proud of you I
am. Not only are you
graduating but you have
held a full time job for 2
years and that was an
accomplishment. Where
have the years gone?
Seems like yesterday,
you were only a baby.
Good luck in the future.
Way to go girl!
Love you always,
