## Local students included in National Dean's List

A total of three students from the Nicholas County area are among the over 150,000 students included in the 21st National Dean's List, published by Educational Resources, Inc., in the largest recognition program in the nation honoring high achieving college students.

Students are selected for the honor by their college dean's registrar or honor society advisor. One-third of their class, the upper 10% of their class, or their school's Dean's List, must have earned a comparable honor. Listed students are eligible to compete for \$50,000 in scholarship awards funded by the publisher, and may also gain a referral service for future employment opportunities.
