Salvation Army participating in summer food program

The Salvation Army, Camp Paradise Valley will participate in the federally funded Summer Food Service Program for children below the age of nineteen. The program operates under guidelines similar to those of public school food service program. Participation in the program enables sponsors to provide lower program costs.

Children who are members of food stamp households or receive K-TAP assistance are automatically eligible to receive free meal benefits. All children will be served the same meals at no separate charge regardless of race, color, national origin, religion, sex, age, or handicap.

The following federal income scale is the current criteria for determining eligibility of free meal service to children at camps sites.

Total Family Size/Summer Food Service Program Maximum Yearly Income Eligibility Standards:

1 - $14,003
2 - $ 20,073
3 - $25,253
4 - $30,433
5 - $35,613
6 - $40,793
7 - $45,973
8 - $51,153

For each additional family member add: $5,180

Persons who believe they have been discriminated against in the Summer Food Service Program should write the Secretary of Agriculture, Washington, D.C. 20250.

For more information, call Captain Keath Biggers at 502-583-5391.

Girl Scouts Honor Leaders

How do you make a difference in the lives of 18,000 girls? That's a question that youth service organizations are constantly faced with. With only so many resources, it's a real challenge to positively impact the lives of a large number of children and young adults with diverse needs and interest.

The Kentuckiana Girl Scout Council is able to make a difference in the lives of girls because of dedicated leaders. The council has 18,000 girl members in 57 counties in Kentucky, Southern Indiana and Tennessee. Large numbers like these can often result cold, impersonal interactions. But thanks to the council's 4,300 leaders and co-leaders, each Kentuckiana Girl Scout benefits from warm connections, caring mentoring,a nd lasting friendships.

April 22 is Leader Appreciation Day, twenty-four hours set aside by Girl Scouts to honor the contributions of each of these leaders. It's not nearly enough time. There are at least 18,000 different stories to be told of how a leader has changed a girl's life.

To make the most of this day, Girl Scouts across Kentuckiana will be finding special ways to make their appreciation known. In the past, leaders have been surprised by a new porch full of furniture, a girl-organized party, bouquets of flowers and touching handmade memory books. If you know someone who's a Girl Scout leader, take this opportunity to thank her for all she has given to girls. She's made an investment in the future--one we will all benefit from.

Pointers For Parents

Peaceable Kingdom

(NAPS)—Less growling. Less roaring. More sharing. That's the message behind an album titled *Animal Rock*, created by a rock and roll band that dresses up like animals.

In the album's lead song, *Dreams and Jelly Beans*, The Animal Band teaches kids about peaceful ways to resolve problems and prevent violence.

Many teachers have used the band's positive music in school programs that teach children how to peacefully resolve disputes and misunderstandings.

One teacher used the song *Dreams and Jelly Beans* on a rainy day when her students were fighting. The song was inspired by Jelly Belly jelly beans, because, according to Jim Moody, the band's lead singer and songwriter, you can't eat these jelly beans without smiling.

Jeromy Withers completes U.S. Navy basic training

April 5, 1999 (FHTNC) - Navy Seaman Recruit Jeromy R. Withers, son of Joy Hall of Raintree Drive, Cynthiana, recently completed U.S. Navy basic training at Recruit Training Command, Great Lakes, Ill.

During the eight-week program, Withers completed a variety of training which included classroom study and practical instruction on naval customs, first aid, fire fighting, water safety and survival, and shipboard and aircraft safety. An emphasis is also placed on physical fitness.

Withers and other recruits also received instruction on the Navy's core values - - honor, courage and commitment - - and how to apply them in their military performance and personal conduct. Withers joins 55,000 men and women who will enter the Navy this year form all over the country.

Men and women train together form their first day in the Navy just as they do aboard ships and at shore commands around the world. To reinforce the team concept, Withers and other recruits also were trained in preventing sexual harassment and ensuring equal opportunity.

Even as the naval service gets smaller over the next few years, highly motivated young people like Withers are still finding an opportunity to improve their knowledge and education as they become part of the most highly technical naval force in history. This year alone the Navy will have more than 57,000 job openings and opportunities which include guaranteed training.

He is a 1998 graduate of Harrison County High School of Cynthiana.

NOTICE TO CUSTOMERS OF KENTUCKY UTILITIES COMPANY OF APPLICATION FOR APPROVAL OF AN ALTERNATIVE METHOD OF REGULATION

PLEASE TAKE NOTICE that, on April 5, 1999, pursuant to the Kentucky Revised Statutes, Kentucky Utilities Company ("KU") filed with the Public Service Commission ("Commission") in Case No. 98-474, an Amendment to its Application for Approval of an Alternative Method of Regulation of its Rates and Service ("Amended Application"). In addition to the numerous benefits provided by the proposed alternative method of regulation and identified in KU's original Application filed October 12, 1998, KU's Amended Application provides:

- Annual reductions in customers' bills for electric service for KU and Louisville Gas and Electric Company ("LG&E") throughout the next five years in the following annual amounts, and allocated between KU and LG&E, consistent with the method approved by the Commission in its Order of September 12, 1997 in *"In the Matter of: Joint Application of Louisville Gas and Electric Company and Kentucky Utilities Company for Approval of Merger,"* Case No. 97-300:
  - Twenty Million Dollars ($20,000,000.00) beginning July 1, 1999 through June 30, 2000;
  - Eight Million Dollars ($8,000,000.00) beginning July 1, 2000 through June 30, 2001;
  - Eight Million Dollars ($8,000,000.00) beginning July 1, 2001 through June 30, 2002;
  - Eight Million Dollars ($8,000,000.00) beginning July 1, 2002 through June 30, 2003;
  - Eight Million Dollars ($8,000,000.00) beginning July 1, 2003 through June 30, 2004.
- LG&E's gas base rates would not be increased for a period of five years or through June 30, 2004 absent the incurrence of extraordinary circumstances and excepting any changes as the result of the operation of any lawful surcharge or automatic adjustment clause;
- An additional one-year extension of the current KU Merger Surcredit Rider through June 30, 2004;
- An additional one-year extension of KU 's current commitment to cap electric rates extending through June 30, 2004, absent the incurrence of extraordinary circumstances and excepting any changes as the result of the operation of any lawful surcharge or automatic adjustment clause;
- KU and LG&E also will set aside the following amounts each year, in accordance with the allocation of the merger savings determined by the Commission in its Order of September 12, 1997 in *"In the Matter of: Joint Application of Louisville Gas and Electric Company and Kentucky Utilities Company for Approval of Merger,"* Case No. 97-300, for qualified organizations for the purpose of assisting low-income customers of KU and LG&E with payment of their residential energy bills:
  - Two Million Dollars ($2,000,000.00) beginning July 1, 1999 through June 30, 2000;
  - One Million Dollars ($1,000,000.00) beginning July 1, 2000 through June 30, 2001;
  - One Million Dollars ($1,000,000.00) beginning July 1, 2001 through June 30, 2002;
  - One Million Dollars ($1,000,000.00) beginning July 1, 2002 through June 30, 2003;
  - One Million Dollars ($1,000,000.00) beginning July 1, 2003 through June 30, 2004.

KU's Amended Application proposes to implement these provisions effective July 1, 1999.

The Amended Application requests that the Commission approve an alternative method of regulating KU 's rates and service, as well as an Electric Performance-Based Rate ("EPBR") Tariff. The Amended Application, if approved, will change the method of regulating KU from the traditional rate-of-return method of regulation to a method based on KU 's operating performance.

The EPBR Tariff, as issued on **April 5, 1999,** applies to all electric rate schedules and special contracts for electric service, effective **July 1, 1999**. The monthly amount computed under each of the rate schedules to which the EPBR Tariff is applicable shall be increased or decreased by the Electric Performance-Based Rate Adjustment Factor at a rate per kilowatt-hour of monthly consumption during the billing calendar quarter computed as follows:

EPBRAF(q)=EPBRA(q)/KWH(q)
EPBRA(q)=FCR+MDS+GP+SQ+BR+BA

Where:
EPBRAF=Electric Performance-Based Rate Adjustment Factor
EPBRA=Electric Performance-Based Rate Amount for the current quarter
FCR=Fuel Cost Recovery
MDS=Merger Dispatch Savings expressed as a credit
GP=Generation Performance expressed as a credit
SQ=Service Quality
BR=Bill Reduction expressed as a credit
BA=Balancing Adjustment
KWH=Kentucky jurisdictional Kilowatt-hour Sales in the current quarter
q=Current quarter shall be the second calendar quarter preceding the billing calendar quarter in which the EPBRAF is billed

The amended Merger Surcredit Rider, issued **April 5, 1999,** applies to all electric rate schedules and special contracts effective **July 1, 1999.**

KU also is requesting that the Commission approve the withdrawal of its Electric Rate Schedule Fuel Adjustment clause after all fuel costs are collected through the Uniform Fuel Adjustment Clause Regulation (807 KAR 5:056) and final orders are issued in the pending fuel adjustment clause cases of KU concurrent with the approval of the EPBR Tariff, and KU is further requesting that the Commission approve conditions permitting greater tariff flexibility in the future.

The Commission's review of KU 's Amended Application may result in a method of regulating KU or consumer rates and services other than the method of regulation and rates described in this Notice.

Any corporation, association, body politic, or person may, by motion within thirty (30) days after publication or mailing of this Notice, request leave to intervene in the case before the Commission (Case No. 98-474). Any such motion shall be submitted to: The Public Service Commission, 730 Schenkel Lane, P.O. Box 615, Frankfort, Kentucky 40602, and shall set forth the grounds for the request for intervention, including the status and interest of the party requesting intervention.

Intervenors may obtain copies of the Amended Application and corresponding Testimony by contacting: Ronald L. Willhite, Vice President of Regulatory Affairs, Kentucky Utilities Company, P.O. Box 32030, Louisville, Kentucky 40232-2030. Copies of the Amended Application and Testimony will be available for public inspection at KU s offices where bills are paid after April 5, 1999.
