Your Horoscope by Natasha

ARIES (March 21 to April 19) You are a direct line to the powers that be. Perhaps you don't understand this completely, but you definitely have more of a clue than anyone else out there. TAURUS (April 20 to May 20) Your best intentions may be misinterpreted at this time. Observe the actions of your friends and co-workers, but save criticism for later. GEMINI (May 21 to June 20) People appreciate the quality of your work and understand that you will be successful. Don't be surprised how many friends will come out of nowhere to congratulate you. CANCER (June 21 to July 22) Now is not the time for your abstract or humorous. Simple statements from you could be taken the wrong way and trigger arguments. LEO (July 23 to August 22) Share your boundless strength and enthusiasm with other people. By doing what

OUR FRIEND HAS WON A HORRIBLE LOSS IN THE ABOVE... 1. To be boastful. 2. Heating agent. 3. Part of hand. 4. Face covering.
