Your Horoscope by Natasha

ARIES (March 21 to April 19) Money matters are favored. Seek out financial advisers and look for ways to invest for future profit. Your charisma sweeps others along this weekend.

TAURUS (April 20 to May 20) After a heart-to-heart chat with a confidante, you feel much better. Don't be afraid to mix business with pleasure. Your success is assured.

GEMINI (May 21 to June 20) Although you're making headway with bigwigs, don't push it. The rather unorthodox plan you have in mind won't go over well. The weekend promises some social surprises.

CANCER (June 21 to July 22) A minor problem you've been experiencing on the home front reaches a satisfactory resolution. Couples need some time alone to renew romance. Use the weekend to do this.

LEO (July 23 to August 22) It's not as if you pay attention to idle gossip, especially such vicious fare as you've been hearing. Put this behind you. Concentrate, instead, on tasks at hand.

VIRGO (August 23 to September 22) Now's the time to feel free to promote your new ideas. Your charisma and magnetic charm are highlighted. There's a bit of confusion over domestic disputes.

LIBRA (September 23 to October 22) Risk-taking isn't favored, whether financially or personally. Your judgment and intuition are sharp, so follow your instincts. A happy missive arrives.

SCORPIO (October 23 to November 21) You are on a high with your communication skills. This comes in handy since you find you must rearrange an appointment. Good news arrives this weekend.

SAGITTARIUS (November 22 to December 21) The stars favor anything of a literary nature. Thus, projects involving research are favored. Someone you're counting on will disappoint you, but this is for a good reason.

CAPRICORN (December 22 to January 19) While you shouldn't be lured into taking financial risks, you can still accomplish much. Leisure and romance highlight the latter part of the week. Put aside work worries.

AQUARIUS (January 20 to February 18) Your business acumen comes to the fore as you find yourself dealing with some shady, evasive types. Do some inquiring about these people. What you learn is invaluable in the long run.

PISCES (February 19 March 20) The loan you seek for that certain special project is forthcoming. However, be realistic and don't ask for more than you can repay comfortably. This weekend, romance simmers.

YOU BORN THIS WEEK: are a rather sensitive soul, and you can't stand to see anyone hurt or anything suffer. Some perceive this as weakness, but you have the heart of a warrior. You enjoy the arts, particularly music and dance, and take much pleasure in these hobbies.

AN ARTY PUZZLE! The statue on pedestal "A" is made by bending one long steel rod. If you join the dots on pedestal "B," you'll see how this was done without going over any leg more than once.
