In the trade sector, jobs dropped by 2,500 from June to July...

Also in the trade sector, these building materials and garden supply stores (400) added and accessory...

The monthly estimate of the number of unemployed persons in Kentucky for July was 80,719...

The civilian labor force includes non-military workers and unemployed Kentuckians who are actively seeking work...

While there were decreases in services jobs in July, there were also increases, but not enough to balance the jobs that were lost...

LETTERS TO THE EDITOR

Editor: We, the Staff of the Kentucky Sheriff's Boys & Girls Ranch, would like to thank all of the help that you have given us...

Thank to each of you, we were blessed this camping season in many, many ways. Not only did we have your support and assistance, but we also received many 1,000 needy boys and girls over the 2-week camping season.

Government should stay off the farm and the tobacco settlement money should go directly to the farmers. The present Governor promised to defend Kentucky's tobacco farmers to the end but he changed his position after traveling to Washington and spending a night in the Lincoln bedroom...
