Along with the specialized achievements awards, all Rural Development state directors received a certificate of appreciation for their year of service.

...new home," he said. "You have to value what's getting you in debt."

Making the resolution come to fruition may even lead to a change in environment. Perhaps more time outdoors or getting away from friends who lead you into undesirable actions.

Physical changes and arrangement in environment — a plant in the office and a new file cabinet — can do wonders for state of mind and body. Social support will also push you toward your goal — whether you have someone help you or you simply don't want to fail in front of friends.

Having a clear, visual image of a resolution's goal can be a big help in reaching the goal.

Veteran info service to be offered Jan. 13

Veterans and their families will be provided information, assistance, and counseling in filing claims for state and federal benefits by Stanley Rosenberg, American Legion Post 22 Service Officer, on Wednesday, January 13th, 10 AM to 2 PM, at the Post 22 Home on Winchester Road, Mount Sterling.

A Service Officer from the Kentucky Department of Veterans affairs will also be available to provide information and counseling.

The Department of Veterans Affairs (VA) has announced that in 1999, it will enroll all veterans who apply for VA health care.

The new enrollment program, part of the Veterans Health Care Eligibility Reform Act, offers an expanded array of health care services, such as preventive care and outpatient services, in addition to eliminating many prior restrictions and confusion.

Enrollment will allow veterans to have access to the full range of services they need, not just those medical needs resulting from military service.

Veterans can enroll in the new program at American Legion Post 22, Winchester Road, Mount Sterling, Wednesday, January 13, 10 AM to 2 PM.

Veterans enrolling need to present Discharge records or Form DD 214.

Letter to the Editor

Boys ranch helps needy children

Dear Editor,

I would like to take this opportunity to thank all of our contributors and the sheriffs and deputies in each county for helping us over the years to have one of the most outstanding camping programs in the nation.

Due to your support, the Kentucky Sheriffs' Boys and Girls Ranch is second to none.

We are a non-profit summer youth camp serving needy children in Kentucky, ages 8-11. Were it not for our faithful supporters and Sheriffs and Deputies throughout the State, we would not be able to continue to offer a free weeklong camping experience to underprivileged children in Kentucky.

We are most grateful to each of you.

We are currently planning our 1999 camping season - my 21st with the Ranch - and are looking for young people (age 18 or over) who would like to be a counselor at our camp and work with needy boys and girls. Our program runs for nine weeks during the summer which includes one week of pre-camp training.

For more detailed information, contact us at: Kentucky Sheriffs' Boys and Girls Ranch, P.O. Box 57, Gilbertsville, KY 42044 or call us at 502/459-0917.

Thank you for your continued support and helping us help needy children in Kentucky.

Ray H. Stoess
Executive Director
