

▼ Question of the Week

"When a prisoner needs medication do you think they should get generics or name brands?"

"Generic, taxpayers are paying for brand name prescriptions, when they are only allowed the generic."
John Jones
Moorefield

"Generic, I have to get generic."
Ruby Laughlin
Carlisle

"Generics, but I feel they shouldn't get any type of medical expenses for free."
Bobby Faye
Carlisle

"They should not be allowed medical expenses at all."
Eddie Edgington
Paris

"Generic, they are no better than I am."
Teresa Applegate
Moorefield Rd.

"Generic, since most insurance carriers require their clients to use generic medications, it's only fair that generics be used in our prison systems."
Larry Tincher
Judge/Executive
