FIVE GOOD REASONS TO STAY IN SCHOOL
Did you know that the average high school graduate earns about $6,000 more a year than the typical dropout?

And over the course of a lifetime, it's more than $200,000!
If you're thinking about dropping out, think again.

ACCORDING TO JIM LOVELL IT'S SOME OF THE BEST GOLF ON THE PLANET.

Jim Lovell, Commander, Apollo 13
Thirty years ago, I commanded what was to have been man's third landing on the moon. We didn't get to complete that mission—but the story of what happened on Apollo 13 captured the imagination of people all over the world.
Another phenomenon that's caught people's interest is the Robert Trent Jones Golf Trail. 378 holes of world-class golf on eight sites throughout Alabama. It's some of the best golf you can play in this galaxy.
When I'm playing golf on courses this great...Houston, I don't have a problem.
