Be On The Lookout...

School's back in session and in the excitement of the new school year, many school-age children, especially the young ones, may forget to look both ways when crossing the street or exiting the school bus. That leaves it up to you as a driver, to be extra careful around schoolyards, neighborhood play areas, and departing school buses. So remember...when you see yellow, be sure to see red-as in red alert. Let's all slow down and give our children the chance they deserve.
