FACTS and FIGURES Need For Emergency Services Grows INAPSY - More than 800,000 people received some form of emergency service last year from Volunteers of America. Estimates of the number of homeless people in the United States range from 250,000 to three million. Even the most conservative estimates indicate that as many as one million people are homeless. Families with children constitute 40 percent of those who become homeless families. Children are the fastest growing segment of the homeless population. At least 25 percent of the homeless are women. Many are single parents with young children.

Salome's Stars. ARIES (March 21 to April 19) You find yourself making things promising at someone to seem receptive. The situation looks promising. You might not be ready for a long term commitment. TAURUS (April 20 to May 20) The delay in getting your task done leaves you pawing the ground in frustration. The patient. The reason for the delay will soon become apparent. An opportunity to travel comes from an unexpected source. GEMINI (May 21 to June 20) You usually sharp instincts about people should be right on the cutting edge. The person you are talking to might want to hold off on a commitment until for unless you feel both person and the project are trustworthy. CANCER (June 21 to July 22) Resist the impulse to tell tales about a co-worker. Even if your motives are noble, it will only require moving to a new city. Your family offers support no matter what you decide to do. Other than...
