ACCORDING TO JIM LOVELL IT'S SOME OF THE BEST GOLF ON THE PLANET.

Thirty years ago, I commanded what was to have been Martin's third landing on the moon. We didn't get to complete that mission—but the story of what happened on Apollo 13 captured the imagination of people all over the world.
Another phenomenon that's caught people's interest is the Robert Trent Jones Golf Trail. 378 holes of world-class golf on eight sites throughout Alabama. It's some of the best golf you can find in this galaxy.
When I'm playing golf on courses this great...Houston, I don't have a problem.
