Nicholas County.

There are no magical qualities that a person must have to become a Hospice volunteer, just that feeling of compassion for your neighbor who is in need. There are also no age limits on being a Hospice volunteer. Many of the best volunteers are either youngsters with a strong back or the retiree's with plenty of time on their hands.

Hospice does require a training session before volunteers can be put to work. A training session is approaching for Nicholas County on June 20 and 22 at the Nicholas County Library from 9 a.m. until 12:30 p.m. For more information, contact Kelly Kendall at the Hospice of the Bluegrass Office in Cynthiana at either 234-6462 or 1-800-756-6005.
