## BUDGET

continued from front

money that we have put together to help side in the cost, can be used for our Senior Citizens Center and Community Action Council. The funds will also assist in the rising costs of sewer and water costs, that at present date is costing the city more than they bring in. There are just a number of places to cut in next year's budget.

## ENERGY

continued from front

In addition to the good news, we are fortunate to have some outstanding entertainment for the entire family. The featured entertainment of the day's program will be Homer Ledford and The Cabin Creek Band. They are a group dedicated to good old traditional Bluegrass and Gospel music. The show is geared to those who like to sit back and enjoy close harmony singing and lively instrumental music. Also, for the kids, Combo the Clown will be back to entertain the kids.

The scholarship contest winners will be chosen on annual meeting day. Five area high school seniors will be awarded at \$1,000 scholarship. This competition reaches into all eight counties to recognize our youth and reward their fine efforts.

The CEO, board of directors, and employees of Fleming-Mason Energy invite all members of the co-op to attend. The general public is also invited to attend so Combo the Clown will be back to entertain the kids.

## TRAUMA

### Bits & Pieces

People important to you, so important, cross your life, touch it with love and carelessness and move on. There are people who leave you and breathe a sigh of relief and wonder why you even came into contact with them. There are people who and you breathe a sigh of remorse and wonder why they had to go away and leave such a gaping hole.

Children leave parents, friends leave friends, acquaintances move on. People change. People grow apart. Enemies hate and move on. Friends love deeply and move on. You think of the many who have moved into your hazy memory. You look at the present and wonder.

I believe in God's master plan in lives. He moves people in and out of each other's lives and each leaves his mark on the other. You find you are made up of bits and pieces of all who have ever touched your life, and you are more because of it and would be less if you had not touched you.

Pray to God that you accept the bits and pieces in humility and gratitude and never regret.

GOD IS IN CONTROL "This came along during Sunday School, and I thought it would be a good article for our readers, for the author is unknown." -Richard Gardner

## Technology improvements benefit low income households

During the 1990's, advances in energy efficiency technology have helped homeowners reduce their utility bills. Low income households in Bourbon, Harrison, Nicholas and Fayette counties can gain access to the new technology at no cost through the federally-funded Weatherization Assistants Program.

The Weatherization Program at Community Action Council has incorporated new technology such as advanced audits, use of blower-door directed air sealing and upgraded heating systems in its work for low income homes.

With the new equipment, the amount of energy used for heating a typical home can be reduced by one-third.

For low income households that no cost through the federal program, the amount of energy used for heating a typical home can be reduced by one-third.

## THE MORE YOU TELL... THE MORE YOU SELL!

FOR MANY CHILDREN WITH LEARNING-RELATED VISION PROBLEMS... THINGS CAN CHANGE FOR THE BETTER.

If your child... • Has poor comprehension • Has a short attention span • Falls to complete assignments • Confuses left/right directions • Gets frustrated while reading • Holds book very close • Has letter or number reversals

Many children with learning-related vision problems have 20/20 distance eyesight, but have great difficulty doing vision tasks less than an arm's length away. Vision therapy is dedicated to developing, improving and enhancing people's visual performance when lenses alone are not sufficient.

Call today to schedule a learning related visual examination. We accept both Kentucky and West Virginia Medicaid and we will be happy to file your private insurance for you.
