### Doing the best job possible!

I keep talking about how new I am at my job. But in all honesty with everyone's help, I haven't done too badly. I suppose with this job you just have to learn how to deal with all the efficient

Obviously, trying to stisfy the community has irned out to be the ughest part of my job.

I ran into an incident last week were I had last week were I had several ball games in one night. A parent did not like it when I was seen leaving a basketball game to cover a football game. Now I know as a parent

we all want to see our star football player or award wining cheerleader on the front page of the paper. I wouch for every one here a

In reality, not everyone

several nights were there may be a couple things going on at one time. Although, we will try to cover all basketball, ootball, band and etc., it's hard to put one person in three places at one time.

Just this week I ran in to this very problem were I basketball games and two football games, so I did what I thought was fair and covered a little of each

Dear Editor:

We would like to advise you

We would like to advise you of our appreciation for Dorsey Watkins for his many years of service as a member of the Foster Care Review Board. This board helps the court

So if I missed your daughter's awesome three point shot or your son's killer tackle, then I apologize. Your children are not being left out, the next time I will do the

awesome sports editor, Denver Brown. Denver will be covering most of our games and sports coverage. Between the two of us we should be able to cover all games and try our best to keep everyone in the community satisfied.

On the other hand if for ome reason the coverage re are giving is not atisfactory we are willing to take in coverage you may have.

So my final two cents. For what it's worth..... When I took this job I when I took this job I vowed to serve this community to the best of my ability. That is exactly what I intend to do.
