### Nicholas County

#### Shopper to join Mercury

Beginning this week, the Carlisle Mercury will publish a supplement to the newspaper that will target businesses in Nicholas County and parts of Bath and Fleming County.

#### Tobacco for bid

Sealed bids will be opened at 2 p.m. on Tuesday, May 21 for the purpose of leasing a tobacco quota established for Clay Wildlife Management Area.

Bids are to be opened in the Finance and Administration Cabinet's Division of Real Properties office at 403 Wapping Street, Bush Building, third floor in Frankfort.

The bid is for the 2001 crop year. Bids are to be made on the basis of cents-per-pound for the number of pounds established this crop year by the local farm service agency.

The 2001 quota is 3,485 pounds of burley tobacco. Bidders must be a land owner in Nicholas County.

The state reserves the right to reject any or all bids.

Bid forms or additional information may be obtained by contacting Scott Aubrey of the state properties branch, division of real properties, at 502-564-2205, extension 226.

Information may be obtained Monday through Friday from 8 a.m. to 4:30 p.m., or by contacting Burford Clark at the wildlife area on Cassidy Creek Road, box 1449, Carlisle, 40311. Phone is 289-2564.

If someone plans to attend the bid opening and has a disability which requires accommodations by the division of real properties, please contact the office by April 20 to permit making reasonable arrangements.

#### Veterans rep in Carlisle

A Veterans Benefits Field Representative with the Kentucky Department of Veterans Affairs will be at the Nicholas County Courthouse in Carlisle on the third Wednesday of each month, from 9 a.m. to noon.

This is a free service, provided by the state department of veterans affairs. Bring appropriate documents at visit.

For details or to answer questions, call 1-866-376-6308. Leave a message if office staff are unable to answer.

#### Free shade trees available

Ten free shade trees will be given to each person who joins the National Arbor Day Foundation during April.

The free trees are part of the nonprofit Trees for America campaign.

The free trees are red oak, sugar maple, weeping willow, green ash, thornless honeylocust, pin oak, river birch, tulip tree, silver maple and red maple.

The trees will be shipped postpaid at the right time for planting until May 31, with enclosed planting instructions. The six to 12 inch trees are guaranteed to grow or they will be replaced free of charge.

To become a member of the foundation and receive the free trees, send a \$10 contribution to Ten Free Shade Trees, National Arbor Day Foundation, 100 Arbor Avenue, Nebraska City, NE, 68410.

### Junior honor society

## Nicholas cattle genetics program gets approval

The Kentucky Agricultural Development Board voted to approve a \$131,250 grant request submitted by the Nicholas County Fiscal Court.

The grant is to establish a local cattle genetics improvement program.

The award will reimburse half of the costs incurred by eligible Nicholas County cattle producers who choose to improve the genetic stock of their herds through the purchase of approved bulls or bull semen.

Funds come from \$774,036 set aside for Nicholas County in the Agricultural Development Fund established with half of Kentucky's tobacco settlement proceeds.

The Nicholas County Fiscal Court will administer the program locally.

Nicholas County Judge-executive Larry Tincher was in Washington, D.C. Wednesday on county business and could not be reached for comment on the program.

Eligibility criteria and genetics standards were established by the state Agricultural Development Board in a standard genetics improvement program approved at the Board's February meeting.

Governor Patton praised the board's action to boost the efforts of cattle producers in Nicholas County to explore alternatives to replace lost tobacco income.

The award was made as one of 23 projects approved by the board during its meeting recently.

The Board approved a total of \$593,422 in state level projects, and \$1,265,877 in a variety of county-level programs, including the Nicholas County Cattle Genetics Improvement program.

Nicholas County Fiscal Court will announce implementation of the local program in the near future.

Producers will apply directly to the local entity to participate in the program.

The commitment by the Board comes at just the time that cattle producers are purchasing new bulls for their cattle herds.

## K's, ejections highlight Jackets' 13-inning win

By DENVER BROWN Sports Editor

Nicholas County senior B.J. Fryman's two-RBI shot to the right side in the 13th inning was the final fireworks in the Bat Jackets' 3-1 victory over the Highlands in the Pendleton County tournament this weekend.

But it's tough to decide which was the game's highlight: was the headline-grabber?

The 10th Region power took on the Bluebirds by the River in the tournament's first game Saturday morning - and it lasted well into the afternoon. Josh Fryman threw nine innings from the mound for head coach Bill Anderson's Bat Jackets (16-3).

The senior right-hander gave up no runs and struck out 20 Highlands batters. Shane Smith, also a senior righty, started pitching in the 10th,

pitched four innings and fanned four.

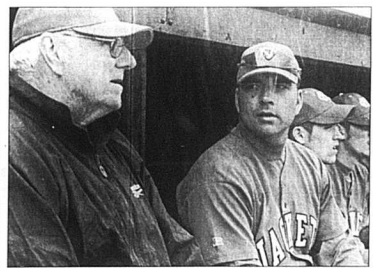

Fryman (and assistant coach Travis Sims) were ejected from the game stemming from an incident at the plate.

Before exiting, Fryman went long in the top of the 10th for the Highlands in the Pendleton County tournament this weekend.

With a solo-shot of their own in the bottom half, tying things at 1-1.

In the top of the 13th, with an out and two on, Tincher rocketed the delivery three miles past second, scoring a pair of Jackets and giving Anderson's club the 3-1 edge. The Nicholas County defense held Highlands in the bottom and took the three-and-a-half four win.

"This was probably the best team we've faced all season," Anderson told The Carlisle Mercury. "They were an incredible starting caliber that also saw senior Josh Fryman thrown out in the Bat Jackets' 13-inning win over Highlands."

Nicholas County baseball coaches Bill Anderson and Travis Sims watch the action. Sims was ejected protesting a call that also saw senior Josh Fryman thrown out in the Bat Jackets' 13-inning win over Highlands.

## Nicholas unclaimed property

State treasurer-lists residents who should call

By KIM HAMILTON News Editor

Kentucky State Treasurer Jonathan Miller has released a list of Nicholas County residents who have unclaimed property at the state treasury in Frankfort.

Those persons listed should call the treasury office at 1-502-564-4722. There is a total of 85 properties for Nicholas County totaling \$13,773.78. Property owners are listed as follows with name, address and identification numbers on the property.

2, Carlisle, 231136.

### NCHS Student of the Week

Jennifer Livville is Nicholas County High School's Student of the Week.

Livville, a senior, is the daughter of Betty Anderson of Paris and Darrell Livville of Flemingsburg.

At school, she is involved with Future Homemakers of America. She joined to meet people, and she enjoys cooking and sewing.

Her favorite subject is social studies. She said she likes to learn about culture and the history of our ancestors as well as how we, as a people, have gotten to where we are. Right now her social studies class is studying Queen Elizabeth I.

After school, she enjoys spending time with her family and friends, and likes shopping and going to the movies.

Livville said she plans on going to Mayssville Community College after graduation to study early childhood development. She hopes to be a head start or kindergarten teacher after obtaining her college degree.

"Jennifer has a generous heart and is a thoughtful person," said teacher Fryman, at NCHS.
