Another VP added to ranks at MSU

A new associate vice president for graduate and undergraduate programs has been appointed at Morehead State University.

Dr. Deborah Burkich Abell, chair of the University's Department of Leadership and Secondary Education since early last year, will move to the administrative

move to the administrative position on Jan. 2.

"I am looking forward to this challenge," said Dr. Abell, "because I feel like my teaching and administrative experiences have prepared me to provide progressive leadership in these new areas of responsibility.
"I am particularly excited

national education.

international education."

In her new role, Dr. Abell
will implement and monitor
the academic policies of
graduate and undergraduate
programs with a particular
emphasis on program
experiment

assessment.
"Dr. Abell also will be responsible for international education, the Center for Teaching and Learning and the Testing Center," said Dr. Michael Marce MCI record. Teaching and Learning and the Testing Center, said Dr. Michael Moore, MSU provost. She will work with all units within academic affairs and all divisions within the University to facilitate the success of all students. Raised in Campbell County and a graduate of the University of Louisville, Dr. Abell received her master's

education consultant for Fayette County schools and a special education teacher, school psychologist and administrator for Rowan County schools.
