then took out his frustrations on a trash can in the corner of the gym.

"This was the worst officiating I've seen on this side of the river," Johnson said after the loss. "I've seen it pretty bad on the other side, but this was the worst here."

## Pastor's Pen

by Daniel Sartin, Clerk Assembly of God Church

### Are you ready?

The question was once asked to my wife, ar you ready for the Rapture? I began our son to be 21 year young to understand exactly what was being asked. We had no so much as heard of a Rapture. My wife replied that she didn't know if she was or not. The lady who asked her replied, "If you aren't aware, you probably are not ready."

What is this Rapture stuff all about anyway, and if it is coming, how can we be ready for it? The Bible clearly states that everything we see around us is temporary at best. Houses, lands, fine rides, even our own mortal bodies are constantly showing signs of decay. It also declares that there is another realm called the spirit realm in which the Lord, angels, and even demons dwell. Once in a while, we get a glimpse of their dimension.

I once saw a 77 year old lady with malignant cancer in her hip miraculously healed and able to walk again after she witnessed an eye that had not seen in 11 years instantly opened when we dared to tell the Word of God at face value. These are not some things sensationalized in some book I have read, I was there when the resurrection power of the Lord Jesus Christ allowed those things to happen.

We also read that flesh and blood cannot inherit the kingdom of God, but that which must be changed. 1 Corinthians 15:1 "Behold, I shall tell you a mystery. We shall not all sleep, but we shall all be changed... in a moment, in the twinkling of an eye, at the last trumpet. For the trumpet will sound, and the dead will be raised incorruptible, and we shall be changed."

53 For this corruptible must put on incorruption, and this mortal must put on immortality. The corruption talked about here is the physical, temporary body flesh that we all wear now in this present life. However, the grave is not the end for the believer, it is the beginning of eternity with
