## THANK YOU

I would like to say a sincere thank-you to everyone for all the acts of kindness that have been shown to my family and I since my accident.

There are so many to thank I couldn't begin to name everyone. I would, however, like to give a special thanks to the members of Nicholas County Fire & Rescue Squad, the Nicholas County Ambulance Services, Dr. Frank McKemie & his office staff, and the members of the Emergency Room team at the Nicholas County Hospital. I found out first-hand what an asset our emergency room is to our community. The care given to me was first rate. I am currently receiving physical therapy and I really appreciate the care and concern being shown to me by Betsy Kitley and her staff.

Thanks to all my friends who have helped me with the farm work and snicker calls.

Thanks for all the cards, flowers, food, phone calls, visits and especially for all the prayers that have been said.

I have never been through such a physically and emotionally strenuous experience in my life. But thanks to the good-hearted people of this community, my recovery has been made easier.

Thanks again to everyone.  
Mark Hughes
