A Program To Make Winter Driving Safer
NAPS-Road maintenance crews are having more success improving driving conditions and reducing the number of winter accidents, thanks to a new approach to snow and ice removal.

State and local government are finding that using liquid calcium chloride before precipitation can bond with the pavement, makes for safer driving.

Experts also believe that other benefits of the anti-icing approach may lead to safer driving conditions. For example, anti-icing often reduces the need for further snow removal and makes it easier for plows to reach pavement.

The Power of the Holy Spirit

Pastor's Pen

By Rev. Richard Gardner-Minister KY District Council Assemblies of God

I am amazed as I stand in the presence of an Almighty God that in his own words proclaimed that he created the heavens and the earth and the waters. And then in his own words said, "let there be light and there was light and he divided the light and he created darkness."
And then we can continue to go on and say that God made everything and it was good. And so God created man in His own image, in the image of God He created him; male and female, He created them. I am amazed that He even allows us the privilege of calling Him Father, all in His Holiness, but He continually does because He loves each of us dearly, more than we will ever understand.

I stand amazed at the scientists that continue to claim evolution as the factor for our life. We that are intelligent enough to read and understand His Word, "The Holy Bible" is very fortunate indeed.
But what is so unfortunate for the many of us who do not understand what he had given us in his written word, is that we do not use what is rightly ours by being the children of God. We constantly and continually seek to put limits on what God can do in our lives, by merely neglecting to do, or believe His own divine Word.

I believe that God Almighty in habits the Praises of his people and the Church that Praises God to let their fullness will certainly receive His attention! I believe that God to let their fullness will certainly receive His attention! I believe that God to let their fullness will certainly receive His attention!

He is still saving people, still working miracles, still baptizing people with the Holy Ghost and fire. God is still giving Spiritual gifts to every man severally as he will. He is still giving Ministry gifts to his church, Ephesians 4:11, "And he gave some, apostles, and some, prophets, and some, evangelists, and some, pastors and teachers."

Bernice Booth Whaley 1901-2000

Bernice Booth Whaley, 99, of E. North Street, widow of Charles T. Whaley, died on Saturday morning in his home after a 20-month battle with cancer.

"It was with a great amount of sadness that I received the news from John's family that he has passed away," said WVTV-TV Vice President and General Manager Bill Stanley. "My sorrow though is tempered by the fact that John was a man of great faith. His outward dedication to God, his family, and work all serve as a testimony of his life's passion. His entire working family at WVTV join me in expressing our grief to his family and friends."

Funeral services will be held on Monday, January 8, 2001 at Milward Funeral Home, 159 North Broadway, Lexington. A funeral service was held on Tuesday at Porter Memorial Baptist Church.

Contributions are suggested to The American Cancer Society or one's favorite charity.
