

State notifying students for grants

The Kentucky Higher Education Assistance Authority (KHEAA) has begun mailing notices to thousands of Kentucky students regarding their qualification for College Access Program (CAP) Grants and Kentucky Tuition Grants (KTG) for the 2001-2002 academic year.

A CAP Grant may be used at an eligible Kentucky public or private college or university, public technical college, or proprietary school. The award amount for the 2001-2002 academic year has increased to \$1,200 (\$630 per semester). Eligible part-time college students will receive an amount calculated on \$52 a credit hour. Part-time amounts for CAP recipients attending quarter-hour institutions are calculated according to a schedule provided to the institutions.

KTG awards may be used at an eligible Kentucky private

college. The maximum KTG award for a full-time student is \$1,800 for the school year.

"Once again, KHEAA is pleased to offer grant awards to help Kentuckians pay their college education or technical training expenses," said Linda Lewis Wolanin, KHEAA's Chief Operating Officer. "Our goal is to make higher education possible for Kentuckians. Award amounts have been increased and eligibility expanded to more students. Last year, students whose families were expected to contribute more than \$3,100 toward college expenses, as determined by the federal need analysis process, were not eligible. This year, the limit has been raised to \$3,550 to make education more affordable to a greater number of families."

KHEAA, a state agency, will continue mailing notices to students as they apply.

KHEAA will also notify students who do not meet eligibility requirements or did not provide sufficient information to determine their eligibility. Students are urged to carefully review the information contained in the notification and respond immediately to any requests for information.

Students who do not plan to attend the institution listed on the notification letter must advise KHEAA as soon as possible by writing to KHEAA Grant Programs, 1050 US Highway 127 S, Frankfort, KY 40601-0223 by Aug. 1 for the fall semester or Dec. 1 for the spring semester. Students may also provide this information by e-mail addressed to student.aid@kheaa.com or by fax sent to (502) 696-7345. Attention: KHEAA Grant Programs.

Students who plan to attend

college or technical college this fall still have time to apply by completing the 2001-2002 Free Application for Federal Student Aid (FAFSA), which is available from postsecondary school financial aid offices, high school counselor offices, KHEAA, or online from FAFSA on the web at www.fafsa.ed.gov.

To check the status of their application or account history for state grants, as well as Federal Family Education Loans and Kentucky Educational Excellence Scholarships (KEES), students can use KHEAA's web site

www.kheaa.com. Students should click on "KHEAA Students" beneath "KHEAA Online" followed by a click on "Your KHEAA loan(s)", "Your KHEAA grants", or "Your KEES account". Next they should enter their Social Security number and birth date. The information about their account will be displayed on the screen.
