PUBLIC NOTICE

The Carlisle Water Department hereby gives notice that, during the time period of August, 2001, the water system failed to comply with certain monitoring as required by 401 KAR 8:010 through 8:700 inclusive.

The specific violations for the time period are:
Failure to Submit adequate number of Bacteriological samples. Only 3 submitted of the 4 required.

Any potential adverse health effects to any segment(s) of the population could not be determined due to failure to comply with the monitoring requirements.

In most cases, monitoring violations do not require the public to seek alternative water supplies or to take preventative measures. If alternative water supplies or preventative measures are needed, the public shall be notified immediately.

The Carlisle Water Department will take the necessary action to reduce or eliminate monitoring violations. For more information, contact Tom Vice at (859) 289-3715 at the Carlisle Water Department.
