St. Claire offers screening
St. Claire Cancer Care is providing free prostate screening. Prostate cancer is the most common non-skin cancer in American men, with about 180,000 new cases projected this year, according to the American Cancer Society. Thanks to early detection, most men diagnosed with prostate cancer survive at least 10 years.

However, prostate cancer is second to lung cancer as a leading cause of cancer death in men — an estimated 31,900 men in the United States will die of the disease this year.

Men who are 50 years of age or older are encouraged to take advantage of this free screening, which normally costs about \$65. The prostate screening exams will be conducted at the St. Claire Cancer Treatment Center at 784-3443 to make an appointment.

Saltwell News

By Mrs. Jill Mattox

A huge crowd of the Doyle family and new neighbors and friends enjoyed a winter roast as well as a big supper at the home of Mr. and Mrs. Charles Doyle on Saturday night on Headquarters Road, complete with many lights strung and a Can-De for anyone wishing to go. Many enjoyed visiting around the bonfire until midnight.

Phyllis Brady visited Marla Kennedy at Edgemont Nursing Home on Thursday and also Dorothy McDonald at her home on Sunday.

Edward O'Neil and Bobby Brady took a drive Sunday to Mayville and died at Long John Steaks.

The Headquarters church closed out an eight day revival on Saturday evening. There was a good crowd that attended for most of the week's meetings with a former served following the morning services on Sunday.

Gladys Kenny returned home on Monday after visiting the past week with Bob Kenny.

Mrs. Jeff Mattox, Jonathan, Anna and Jessica traveled to Louisville Saturday afternoon to attend the funeral for Christine Hardy at the home of Mr. and Mrs. Rick Hardy. They also enjoyed the fall festival held at St. Elizabeth's school that evening and spent the night with Mr. and Mrs. John Ellis and family.
