are working together to change lives!

Call today for information about our lineman apprenticeship program that won't cost vou a dime!

That's right! Free training and guaranteed job placement upon successful completion of the program.

The training you will receive both on the job and in the classroom will provide the universal skills and knowledge needed to work in the power industry anywhere in the country. There is an ever-growing appetite for electric power nationwide, which creates an equally growing demand for lineman to build and maintain the power grids. As long as our nation needs electricity, our nation needs lineman.

Program orientation and selection will be held on September 22 at 9:00 a.m. and 1:00 p.m. at Rowan Technical College.

For more information or to register for the orientation, call Roger Cline or Sandy Barker at (606) 783-1538. Only 20 people will be selected to participate in this program. You will have to take an assessment test during orientation on your basic writing, reading and
