are working together to change lives!

Call today for information about our lineman apprenticeship program that won't cost you a dime!

That's right! Free training and guaranteed job placement upon successful completion of the program.

The training you will receive both on the job and in the classroom will provide the unit skills and knowledge needed to work in the power industry anywhere in the country. There is an ever-growing appetite for electric power nationwide, which creates an equally growing demand for lineman to build and maintain the power grids.

As long as our nation needs electricity, our nation needs lineman.

Program orientation and selection will be held on July 12th at 1:00 n.m. and July 13th at 9:00 Togram seemands und secreton usus on endea of stay 2: at 1:00 pt. and stay 15: at 5:200. Am. at Rowan Technical College. For more information or to register for the orientation, call Roger Cline or Sandy Smallwood at (600) 783-1538, cst. 314. Only 25 people will be selected to participate in this program. You will have to take an assessment test on basic writing, reading and math skills. Also, a drug test will be administered at orientation. Davis H. Elliot is a

drug free workplace and an equal opportunity employer.
