SPORTS FROM FRONT

ended fun things for a whole family to do - it's just a great place for active people and families. It's great for everyone else, too. This place is truly beautiful."

The Riley clan was just one of several families either pulling out on Monday for little trails or taking a dip in the cool pool. And still more found their way to the Carter Caves lake on Tuesday. We did not see some other trophy or bait-stealer. A family from Canada was involved in a tense mom-dad versus son tennis doubles match at the park's tennis courts.

One of the Carter Caves activities schedules and park map come in very handy when heading off for your first athletic adventure - right inside the resort's gates.

The Elliott family of Russell, KY was just heading off the picturesque greens and fairways of the larger links as a local couple was keeping things on a smaller scale, with a trip to the brightly painted, red and white miniature golf course.

"It's real peaceful here and I like to bring out my little sister and brother, Nikki Fleming of Grayson said while trying to smack that frustrating little green ball through the red clubhouse on hole No. 6.

"We came over here to go through the caves. We did and we rode horses earlier and the pools on sat, too. We always run out of time when we're here."

Fleming said she and her crew make it out to the Carter Caves campground most weekends in the summer months.

There's even more to do at Carter Caves coming up later.

MUSICIANS FROM FRONT

Then the evening's energy will escalate with the 11-member three-time Grammy-nominated cast, Alex Torres y Los Reyes Latinos, the first Latin brass and percussion group to grace an MMP stage.

Saturday's stellar line-up includes performances by Junior Brown, the wildly popular "King of Alternative Country"; Austin donny Mosser, hot blues rock vocalist, Nashville originally from Louisiana; and Earl Keen, who is performing in the park, in spite of himself - one of the best Texas rock acts in the country, from Austin.

Friday and Saturday's events will be held outdoors at Somerset Park. There will be tents for shade and some chairs, but to be sure bring a seat, chair or blanket. Chosen from a wide variety of concessionaires, the park Children 12 and under are admitted free Friday and Saturday. Teens and children below the MMP number below or three-time Grammy-nominated cast, Alex Torres y Los Reyes Latinos, the first Latin brass and percussion group to grace an MMP stage.
