From the Sidelines

The great turtle rescue (sort of)

it was probably the most idiotic, and wildlife-indifferent, incident I've witnessed (and I lived in the fraternity house for two years

Driving in the Western Driving in the Western part of the county last week, I was behind a slow-moving vehicle that seemed to be going no place in particular. As I was enjoying the seenery that generally zips past at color-burring speed, I spotted a small box turtle in the middle of the road. These home-carrying reptiles are out and about thirty for the verticular of the road of the road. ooking for boyfriends or places to call home for th

After Bessie in her Eds in U.S. 60, I signaled and the turned onto the shoulder my line. With no traf ing in either directio assistance to the turtle. A services were a few turns the wheel too late. Just as the bright blac

on past me, the turtle an anything else in his way.

But I was terribly wrong I was just about stoppe he other side of his asphal the center yellow lines and made absolutely sure hi Goodyear crushed th

ummertime fun for the editor summertime fun for the editor to run on the front page. Needless, to say after watching this atomachturning act, I didn't care to much for two-legged folks for an hour or two. But I did move two more turtles off roads during an interview trip to Carter Caves the next afternoon.

to Carter Caves the next shermon.

I talked with a friend with bring war shermon. I talked with a friend with the shermon sher shocked, but not necessarily our next-door neighbors and surprised at what the tape the in-laws down the street. surprised what the tape to mean supprise would show Diviews swering i'm not saying run out and to hit their it rargets' and to hit their it reverse to hit their of the reverse to hit their of their or their or their or their or their or their or their own state of their own state own

Opinion

Commentary

Get ready to blast off! modified all about that and you sit back and enjoy the ride. Like all park rides great movies geared for kids, so a r i n g it is still a joy for adults to through

Registration is now in progress at participating Kentucky colleges and 2002 telecourse, which begin airing August 26. This semester heralds a few the progress and and as the college of t 2002 tensors airing August 20. semester heralds a few semester sheralds a few shootest schedule and an increase in the lineup. Most significantly telecourse programs will be repeated within the same week as its original broadcast. **The Power of Place — worldwide regional peography of Majning America — U.2 — worldwide regional peography of Majning America — U.2 — worldwide regional peography of Majning America — U.2 — worldwide regional peography of Majning America — U.2 — worldwide regional peography of Majning America — U.2 — worldwide regional peography of Majning America — U.2 — worldwide regional peography of Majning America — U.2 — worldwide regional peography of Majning America — U.2 — worldwide regional peography of Majning America — U.2 — worldwide regional peography of Majning America — U.2 — worldwide regional peography of Majning America — U.2 — worldwide regional peography of Majning America — U.2 — worldwide regional peography of Majning America — U.2 — worldwide regional peography of Majning America — U.2 — worldwide regional peography of Majning America — U.2 — worldwide regional peography of Majning America — U.2 — worldwide regional peography of Majning America — U.2 — worldwide regional peography of Majning America — U.2 — worldwide regional peography of Majning America — U.3 — worldwide regional peography of Majning America — U.3 — worldwide regional peography of Majning America — U.3 — worldwide regional peography of Majning America — U.3 — worldwide regional peography of Majning America — U.3 — worldwide regional peography of Majning America — U.3 — worldwide regional peography of Majning America — U.3 — worldwide regional peography of Majning America — U.3 — worldwide regional peography of Majning America — U.3 — worldwide regional peography of Majning America — U.3 — worldwide regional peography of Majning America — U.3 — worldwide regional peography of Majning America — U.3 — worldwide regional peography of Majning America — U.3 — worldwide regional peography of Majning America — U.3 —

within the same week as its original broadcast. Additionally, RET has added two courses to the lineup, for a total of 12 telecourses. The same of the

Tips for

beating

the heat

Drink plenty of water or non-alcoholic fluids. The body needs water to keep cool. Drink plenty of fluids even if you don't feel thirsty.
 Spend more time in air-

• Spend more time in air-conditioned places. Air-conditioning in homes and other buildings markedly reduces danger from the heat.

Don't get too much sun.
 Sunburn makes the job of heat dissipation that much more difficult.

Let thy speech be better than silence, or be silent. —Dionysius the Elder
