About 19 feet is a dadd. "The river was running for the water level got up to a feet was the remote remote rain gauges at the gauges at the rain gauges at ga

The lake is now continuing to rise, Barnum said.

"On Wednesday, it was rising seven inches per hour, but now, it's rising only 1 1/2 inches per hour," Barnum said Thursday.

The corps will likely open the dam again Friday or Saturday to relive the lake, which is about 8 12 feet above summer pool. Only two boat ramps, Scott Creek and Alfrey were visible Thursday. Flooding occurred all the way up the Licking River and was expected to hit its highest point at Blue Licks on the Nicholas-Robertson county line at 16.6 feet above flood level.
