 Whitaker Bank Inc vs. Ray

## Kids' health fair set April 21

Bourbon Community Hospital is excited to announce plans for its annual Kid's Health Fair.  
 The Fair will be held on Saturday, April 21 from 12:00 noon until 3 p.m.  
 A child's first visit at the hospital is often when they are injured and are seen in the emergency room.  
 This can be a very scary time for a child. The Kid's Health Fair is an excellent time for parents to introduce their children to the hospital prior to such an event.  
 Experiencing the hospital at the fair will minimize the child's fear if they should become a patient in the future. The children will get to meet many of the employees whose faces will be familiar to them later and they will see the hospital as a fun place to be.  
 The Kid's Health Fair will be a fun filled afternoon packed with informational booths, games (including the Fantasy Castle Jump; Jump, Climb & Slide; Trunk and Giant Screamer Slide), giveaways, face painting and a free lunch under the big tent.  
 A free popcorn will also be served throughout the event.  
 The Mini Train Express will be giving rides around the campus again this year should become a patient in the future. The children will get to meet many of the employees whose faces will be familiar to them later and they will see the hospital as a fun place to be.  
 Parents are encouraged to bring their cameras and take lots of pictures of their children with their favorite character. There will also be a door prize of four tickets to King's Island.  
 Please watch for Bourbon Community Hospital's Kid's Health Fair ads in The Mercury for more information on the upcoming event.  
 If your organization would like to participate, please contact Diane Wagner at 859/987-1001 to register.  
 In case of an outdoor activities will be canceled and indoor activities will go on as planned.
