NOTICE OF VIOLATION

Nicholas County Water District purchases water from four different sources. One of the providers of water for Nicholas County Water District's customers is The City of Middlesboro...

The standard for THMs is 0.500 mg/l. The average level of THM over the last year was 0.75 mg/l.

What Should I Do? You do not have to use an alternative (e.g. bottled) water supply.

What Does This Mean? This is not an immediate risk. If it had been, you would have been notified immediately.

Total organic carbon (TOC) has no health effects. However, total organic carbon provides a medium for the formation of disinfection by-products.

Some people who drink water containing nitrosamine acids in excess of the MCL over many years may have an increased risk of getting cancer.

What is being done? We are working with the Division of Water to evaluate the water supply and re-assessing before to correct the problem.

For more information, please contact Gary Osborne, at 859-484-2000 or the City Office at 696-3007.

This notice is being sent to you by the Nicholas County Water District - Stone Water System #0470510314.

Swearing in and honoring Kentucky's governor

Kentucky Gov. Steve Beshear, surrounded by his family, was sworn in by Supreme Court Justice Bill Cunningham as the state's 61st governor...

Nicholas County High School Band was a participant in Inaugural parade, Tuesday.
