Dear Santa,
Hi; my name is Audra Felts and I am five years old and I am in Mrs. Vice kindergarten class. I have tried really hard this year to be really good and both my mom and dad says I have been good.

For Christmas, I would like a Bratz laptop computer and some moon sand and all the books you can bring me. I really enjoy reading books, my granny does too, she's the reason I am so into books. Also could you bring something for my baby sister Brooklyn, she just turned one on December 1 and so she's still not sure what Christmas is just yet, I have been explaining it to her but I don't think she understands me just yet. Please bring everyone in my class something really nice too. And don't forget my cousins, Mason, Kendall and Taegan and two of my special friends, Eli and Jay Hughes.

And Santa one last thing, could you watch over my uncle Rob Felts and Rob Hughes, this Christmas they are really far from home fighting for our country and I know they miss their families a whole lot because we miss them.

P.S. Brooklyn and I will leave something special for you and the reindeer to eat and drink.

Love
Audra Felts

Dear Santa,
Hi; my name is Brooklyn Felts and I am one year old so my mommy is writing this letter for me. I am not really sure what Christmas is just yet, my big sister has been trying to explain it to me but I am to busy playing right now.

She told me that you bring toys to girls and boys that are good and I think I have been good so far or at least as good as a one-year could be. So for Christmas I would like anything with Elmo on it and anything that makes noise, I love making noise. And some books, Audra has been reading me her books but I would like some of my own.

When you stop at my house, would you bring Audra something extra special, she's been the best big sister ever? She loves to play with me and she makes me giggle all the time. Please remember all my friends at my NanNan's, my cousins, Mason and Kendall and Taegan.

I know that Audra has already asked you to watch over out uncles for us but would you leave them a little something special this year for us since we can't be with the. They are so far from home and we really miss them a whole bunch.

I hope you have a safe trip and we will leave you something extra special for you and the reindeer to snack on while your at our house.

My mom tells me I have been a very good girl all year. This year for Christmas, please bring me a laptop computer if you can. I know that is a big request, but I can use it for so many things including my school work. The only other things I would like to have are an I-Dog and a Panda Webkin.

Dear Santa Claus,
My name is Annalee Beau Whitten. I have been a very good girl this year. I hope that everything is going well at the North Pole. I am not quite old enough to write this letter so my mommy is helping me. I wanted her to ask you if you still had your red hat because I know tit gets cold up there.

I would like to tell you what I want for Christmas. First, I would like to have a Fisher Price camera so that I can take pictures of my own. My daddy doesn't let me use his too much. I think he is scared I will break it. I would also like to have the Ponyville play set. I really like My Little Ponies and turning them in to princesses. Mommy says that I only like "princess stuff" and she is right. So anything to do with princesses would be great. I am already getting a baby brother named Jackson, so I don't need any other babies.

Thank you Santa for all of the presents that I got last year. I knew that writing you a letter would work. I hope that you have a good, safe trip this Christmas. Until then, please take care of your reindeer and make sure they get enough to eat, especially "Poodles" (Mommy and Daddy call him Rudolph) he is my favorite! Merry Christmas!

Love
Annalee Beau Whitten

I would really like to have some hot rod cars and some more John Deere or International tractors. But just you stopping by will be good enough. Be careful on your long trip and I will have something under the tree for you and the reindeers.
