Hardin graduates Marine Boot Camp

By Charles Mattox News Editor charlesm@carlislemercury.com

Jai Hardin, 19, graduated from the U.S. Marine Corps basic training camp at Parris Island June 25 and is now home on leave... "The fastest way out of Parris Island was to graduate," said Hardin.

Hardin said the decrease in numbers was due to 13 weeks of advanced infantry training for camp combat support... "I've Hardin spent a few minutes at the Carlisle Mercury office, Monday, describing his training and how it feels to be a Marine."

He is at peak physical and mental condition... "I'm proud and eager to serve his country for the next four years as a United States Marine."

Hardin said he was very grateful to everyone who supported him... "I had no idea that so many people were praying for me, and that they were all so kind."
