NCHS Varsity Cheerleaders

Members of the Nicholas County High School Cheerleading team, in no particular order include: Senior Jordan Letcher. Juniors: Hannah Garrett, Hanna Sams, Lindsey Crawford, Leah Hughes. Sophomores: Kristen Letcher, Jennifer Marcum. Freshmen: Hali Webb, Brandy Norman, Morgan Kelly, Chelsea Markland, Heather McCall, Madeline Gallagher. Eighth graders: Haley McConnell, Kimberly Letcher.

Photo by Charlotte Hopkins

The NCMS basketball team and Cheerleaders took part in a Jr. High Class A school tournament held in Danville at the school for the deaf and hearing impaired. The team coached by Greg Letcher and Robby Hopkins made it to the championship were they finished in 2nd place only falling to the Berea Pirates by 4 points. Nathan Kirby, Wes Hopkins and Dylan Fryman were awarded individual trophies for their outstanding tournament play. The cheerleading squad coached by Susan Flowers was there to offer support. Kimberly Letcher and Haley McConnell were chosen to be honored as top spirit leaders and each received individual awards. Pictured are, front row, left to right, Janie Waganer, Anna Mattox, Kimberly Letcher, Haley McConnell, Hannah McCard and Destiny Johnson. Second row, Hannah Coldiron, Jama Hale, Darah Green, Stephanie Kelley, Megan Campbell, Kendra Letcher, and holding trophy Jimmy Tincher. Back row, l-r, Jared Napier, Dylan Carty, Mathew Kelley, Cameron Crawford, Caleb Pope, Conner Hatton, Justin Jones, Dylan Fryman, Jordan Napier, Nathan Kirby, Michael Scott, Brennan Gabriel, Wes Hopkins, Coach Greg Letcher and Coach Robert Hopkins.

BEWARE

Continued from Page 1

Flash Flooding Safety Rules

According to statistics from the National Weather Service; flash floods and floods are the most recent year's No. 1 storm related killer in Kentucky and across the United States.

- If Driving, do not drive through flooded areas. Even if it looks shallow enough to cross.

The majority of deaths due to flooding are due to people driving through flooded areas. Water only one foot deep can displace 1500 pounds! Two feet of water can easily carry most vehicles. Roadways concealed by floodwaters may not be intact.

- If caught outside, go to higher ground immediately! Avoid small rivers or streams, low spots, culverts, or ravines. Do not try to walk through flowing water more than ankle deep, as it only takes six inches of water to knock you off your feet. Do not allow children to play around streams, drainage ditches, or viaducts, storm drains, or other flooded areas.

- If ordered to evacuate or if rising water is threatening, leave immediately and get to higher ground.

Lightning Safety Rules

Lightning is the number two storm related killer. In Kentucky, more people are killed by lightning in an average year than tornadoes. Although severe thunderstorm warnings are not issued for lightning, you should move to shelter when thunder is heard as lightning can strike 10 to 15 miles away from where the rain is falling.

If outside, go to a safe shelter immediately, such as inside a sturdy building. A hard top automobile with the windows up can also offer fair protection.

- If you are boating or swimming, get out of the water immediately and move to a safe shelter away from the water!

- If you are in a wooded area, seek shelter under a thick growth of relatively small trees.

- If you feel your hair standing on end, squat with your head between your knees. Do not lie flat!

Avoid: Isolated trees or other tall objects, bodies of water, sheds, fences, convertible automobiles, tractors, and motorcycles.

- If inside, avoid using the telephone (except for emergencies) or other electrical appliances.

- Do not take a bath or shower during a thunderstorm.

Tornado
Severe Thunderstor
Safety Rules

- In a home or building, move to a pre-designated shelter, such as a basement.

- If an underground shelter is not available, move to a small interior room or hallway on the lowest floor and get under a sturdy piece of furniture. Put as many walls as possible between you and the outdoors.

- Stay away from windows.

- Get out of automobiles.

- Do not try to outrun a tornado in your car; instead, leave it immediately for safe shelter. Do not seek shelter in an underpass.

- If caught outside or in a vehicle, lie flat in a nearby ditch or depression and cover your head with your hands.

- Be aware of flying debris. Flying debris from tornadoes and high winds causes most fatalities and injuries.

- Mobile homes, even if tied down, offer little protection from tornadoes or high winds. You should leave a mobile home and go to the lowest floor of a sturdy building or storm shelter.

FLEETWOOD A&L HOMES, INC. FLEETWOOD

888-552-2334 3 Miles North of Flemingsburg on Highway 11 www.fleetwoodkentucky.com
